

MINE HEADS RECALL ROOSEVELT'S IDEALS

Wilson Commission Shown Actions of Former Body.

SCRANTON, Pa., July 13.—Adherence to the fundamental principles of collective bargaining as laid down by President Roosevelt's anthracite strike commission of 1922, and reaffirmation of every man's right to work without reference to membership or non-membership in a labor organization, were insisted upon here today by the anthracite operators before the anthracite coal commission appointed by President Wilson to arbitrate the differences between the operators and mine workers.

"Unalterable opposition to the principle of the closed shop and its proposed accompaniment, the check-off, was also placed in the record, and figures were presented to show that, under the present wage scale, the annual earnings of anthracite mine workers have more than kept pace with the increase in this cost of living.

These points were contained in the first formal reply presented to the commission in answer to the demands of the mine workers for readjustment of wages and working conditions.

BRITISH-JAP TREATY ON FAR EAST EXTENDED

LONDON, July 13.—Great Britain and Japan have prolonged their treaty alliance for a year, according to the Daily Mail, by a time pointing out that the terms of the treaty are in accord with the principles of the league.

The reason for prolongation of the treaty, according to the Mail, is that Great Britain had not had an opportunity to consult with the dominions regarding a revision of the treaty which is necessitated by the elimination of German influence in the Far East.

BISHOP HENNESSY DIES.

WICHITA, Kan., July 13.—Right Rev. John J. Hennessy, bishop of the Wichita Catholic diocese, died here at his residence this morning. He was born in County Cork, Ireland, in 1847. A stroke of paralysis during the night caused his death.

GOLD BRICK FRAUD AGAIN.

NEW YORK, July 13.—The ancient "gold brick" swindle came to the front again here today when Morris Rosenberger was arrested on a Philadelphia warrant charging him with selling "gold nuggets" made of brass, while posing as a Western prospector. Rosenberger's arrest ended a two-year search, according to the police.

PARLEYS TO HALT RAID ON PEKING CONTINUED

PEKING, July 13.—Efforts still are being made by new emissaries to persuade Wu Pei-fu and Tiao-Kun, the Anfu general, who rebelled because of the recent dismissal of Gen. Han Shu-Chen, to obey the government mandate not to march in the direction of Peking.

The food supply in this city is receiving attention from the various legations, in view of the stoppage of traffic between Peking and Hankow and the possible interruption of other railway lines.

Marital law has been proclaimed in Tien Tsin. Admiral Albert Gleaves, commander of the United States Pacific squadron, is reported to have arrived there.

CIVIL WAR RIVER PILOT DIES AT CINCINNATI HOME

CINCINNATI, O., July 13.—Captain Francis Marion Pursell, 72 years old, widely known river pilot is dead at his home here. Captain Pursell was engaged with his father during the Civil war in transporting goods between Cincinnati and New Orleans. He retired five years ago.

THANKS LATIN-AMERICANS
WASHINGTON, July 13.—President Wilson, replying to the congratulatory Independence day messages from presidents of the various South and Central American republics, expresses the hope that the cordial relations now existing between Latin-America and the United States may continue.

Amusements

Loew's Lyceum.

Among the prized possessions of the singing comedienne, Maye Hunt, at Loew's Lyceum, after a long tour in musical comedy, is a photograph of her father, Joe Hunt, who was the partner of the first great American minstrel, Haverly. Miss Hunt traveled with her father until he retired from the stage, and then took up the stage as her own profession. As a dancer she appeared in many musical comedies, then finding that her voice had possibilities, went abroad to study just before the war broke out. When America entered the war she endeavored to enlist as a nurse but could not pass the required professional tests—finally, however, she succeeded in going over as an entertainer, and was the first American woman in "Colleen" following the German evacuation. She sang for seven months to the American soldiers all over Germany, Alsace, Luxembourg and France.
